### Brain Building Together (BBT) Explorer

Share Brain Building Moments with caregivers, infants, and toddlers through supportive conversations and play in the *Brain Building Together (BBT)* early childhood exhibit.

BBT Explorers operate the museum's early childhood exhibit for caregivers and children ages birth-3 by ensuring safety, cleanliness, and an enjoyable visitor experience. This position supports the exhibit's educational goals by engaging caregivers in conversations about children's learning.

**Qualifications:** We seek applicants who have an interest in and ability to work with caregivers and young children ages birth – 3. Successful applicants will have a background in early childhood education and child development, a demonstrated ability to communicate with and support diverse families of young children, and excellent interpersonal and customer service skills. A BA in a related field or relevant professional experience is preferred. Other preferred qualifications include: experience with educational documentation, knowledge of a language other than English, and/or skill in a creative, enrichment area.

Candidates must also be able to uphold the Museum's COVID-19 safety policies and practices. A full job description is available at [www.discoveryacton.org](http://www.discoveryacton.org).

**Hours and pay:** Part time: at least one weekend shift.  
\$14.00/hour

**To apply:** Please send resume and cover letter to Alli Leake, [aleake@discoveryacton.org](mailto:aleake@discoveryacton.org). No phone calls, please.
