

## **The Children's Center at Groton is seeking a Preschool Teacher**

CCG is seeking a full-time teacher to work with preschool/pre-k aged children. Candidates **MUST** have EEC Preschool teacher certification. Our Reggio inspired school is seeking teachers who have a strong belief in a child-centered approach to learning and understand how to co-construct emergent curriculum with children.

Our school chooses to exceed EEC's ratio requirements by adding an extra teacher in each classroom. Children remain in the same classroom for the full academic year (Sept.-Aug) and move together to the next age group. At our school, you will not experience students coming and going from your classroom throughout the year.

Our hours of operation are 7:30am-6pm, year-round, and candidates must have flexibility during these hours for a rotating, 8-hour shift. Hours are subject to change due to COVID-19.

Candidates **must** have EEC certification for Preschool, and a bachelor's degree is preferred.

Our building is currently closed due to the COVID-19 crisis. Upon re-opening in September, we will be taking many precautions to keep both staff and children/families safe which will be discussed during the interview process.
